FULL-BODY ENERGY
SCALABLE WELLNESS
REAL RESULTS

A COMPLETE SYSTEM BUILT FOR MODERN WELLNESS BUSINESSES

PureWave Ultra is a full-body PEMF system designed to help businesses deliver a higher level of recovery, performance, and daily wellness support. Engineered for both professional environments and high-performance individuals, Ultra provides a complete, immersive solution that integrates seamlessly into clinics, studios, and wellness-focused facilities.

This is not a single-use modality. This is a system that enhances how your clients feel, perform, and return.

WHY ULTRA WINS IN TODAY'S MARKET

The wellness market has evolved. Clients are no longer looking for isolated treatments or short-term solutions. They are investing in experiences that deliver consistent results and support long-term performance and well-being.

Ultra allows you to meet that demand with a system that is both experiential and practical. Clients feel the impact quickly, which drives repeat usage, increases retention, and supports premium service offerings.

**It becomes more than a service.
It becomes a reason clients choose you.**

THE TECHNOLOGY THAT DRIVES RESULTS

At the core of Ultra is a patented technology platform that delivers precisely calibrated high-frequency energy designed to interact with the body at a cellular level. This supports optimization of biological function, enhances energy balance, and improves overall system performance.

Ultra is designed to deliver both **full-body immersion and targeted support**, allowing for a more complete and efficient experience within a single session.

This combination is what drives stronger outcomes and higher client satisfaction.

A FULLY INTEGRATED SYSTEM

Ultra is built as a complete system, allowing businesses to deliver both broad and targeted support in a simple, scalable way.

What's Included:

- PureWave Ultra Console
- Full-Body Therapy Mat
- Cables and accessories

The system is intuitive, efficient, and designed for daily use across a variety of client needs.

FULL-BODY COVERAGE WITH TARGETED CAPABILITY

Ultra provides a level of flexibility that allows you to serve a wide range of client needs within one system.

- **The full-body mat** delivers head-to-toe immersion
- **Targeted application** supports specific areas of concern
- **Simultaneous use** enhances overall effectiveness

This allows practitioners and facilities to deliver a more complete experience without adding complexity.

Designed to Drive *Client Outcomes*

Ultra supports a wide range of wellness and performance goals, making it highly adaptable across different service models. It is commonly used to support:

- Physical recovery and full-body restoration
- Cellular energy and overall vitality
- Stress reduction and nervous system balance
- Mental clarity and performance
- Long-term wellness and longevity

Clients feel the impact early, and continued use reinforces those results over time.

VERSATILITY ACROSS HIGH-VALUE ENVIRONMENTS

Ultra fits seamlessly into multiple business models, allowing partners to expand their offerings without needing multiple systems.

- Wellness clinics and practitioners enhancing service depth
- Fitness and performance facilities supporting recovery
- Biohacking and longevity-focused environments
- Boutique wellness studios and recovery lounges
- In-home concierge wellness offerings

This flexibility makes Ultra a strong foundation for both single-unit use and scaled deployment.

A SCALABLE REVENUE OPPORTUNITY

Ultra is designed to not only deliver results, but to support business growth. Its combination of accessibility, performance, and client demand makes it an ideal system for building repeatable revenue.

- Strong perceived value relative to investment
- Immediate experiential impact that drives adoption
- High retention through consistent client results
- Ideal for service-based monetization and package offerings

It creates a pathway to both short-term revenue and long-term client relationships.

TECHNOLOGY THAT ELEVATES YOUR OFFERING

PureWave Ultra represents the next step in accessible, high-performance PEMF systems.

- Full-body energy delivery across the system
- Simultaneous application capability
- Simple, intuitive operation for daily use
- Trusted by wellness professionals and performance-driven users

This is technology that enhances your environment without adding friction.

POSITIONING & PRICING STRATEGY

Ultra should always be positioned as a premium, professional-grade system within your offering.

MSRP: \$7,500

Strategic flexibility can be applied for:

- Multi-unit placements
- Partner growth opportunities
- Expanded service offerings

Maintain value through positioning, not discounting.

WHERE YOUR OFFERING EVOLVES

Ultra allows you to deliver a level of recovery, energy support, and daily wellness that sets your business apart in a competitive market.

For those your clients serve, it becomes an experience they return to.
For your business, it becomes a system that drives growth.
